

Forging Solutions for the  
Missions that Matter

Since 2008, headquartered in Dumfries, VA, the government has awarded AMSG **more than 60 government contracts** supporting 18 Program Offices at multiple federal agencies; 11 programs at Veterans Affairs; and 23 contracts supporting military commands at USMC, US Army, US Navy, and the Defense Health Agency.

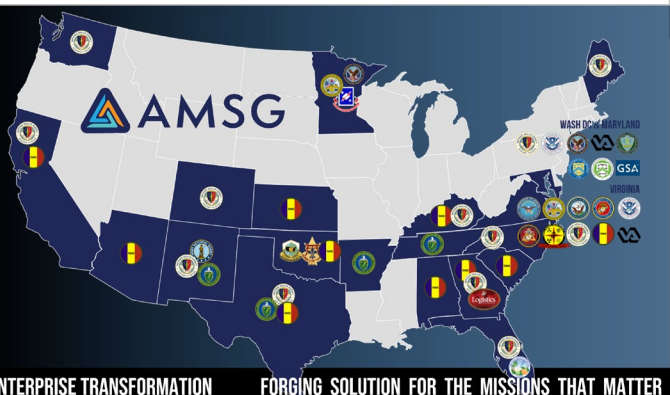

AMSG **operates four business units**, specializing in Acquisition & Financial Management, Information & Knowledge Management, Program Management & Business Process Improvement, and Administrative & Marketing Support

With year-over-year growth, **we have primed 73% of the contracts** we support with more than \$192 million in projects across DHS, Army TRADOC, and DHA.

We currently contract with the Department of Defense (DoD), Department of Homeland Security (DHS), Department of Energy (DOE), Veterans Affairs (VA), and Federal Trade Commission (FTC).

Over the past 15 years, our teams have supported 41 Defense and federal organizations at 100 military and federal installations, across 20 states, supporting more than 19 million end-users.

## OUR TEAM STRENGTHS

**AMSG's knowledge of VECTOR started when we became a Prime in 2018**

**AMSG has won 4 Task Orders in SG1**

**AMSG brings over 12 years VA-focused experience on over 11 enterprise-wide VA projects since 2013 ranging in services from logistics in packaging up and installing new Wifi kits at VA hospitals to standing up the VA's Category Management office**

## AMSG PAST PERFORMANCE

### VECTOR 004 IPT Facilitation and Acquisition Support for Electronic Employee Performance Management (EPPM)

- AMSG provided IPT Facilitation Services and Acquisition Support Services to help individuals, teams, and organizations think more strategically about needs of the EPPM system over the next five (5) years and to develop an acquisition plan and strategy that resulted in a contract to support this critical VA transition to the EPPM program.

### VECTOR 035 Veteran Affairs Category Management Support Services

- AMSG assisted the Office of Acquisitions, Logistics, and Construction (OALC), which served as the VA Category Management Program Support Office (CMPSO), with oversight, management, and implementation of a VA enterprise-level CM program, initiatives, and collaboration portfolio. AMSG assisted in fostering a culture of innovation and collaboration across VA category managers within the context of congressionally and Office of Management and Budget (OMB) mandated initiatives, advancing delivery of Veterans benefits and promoting changes to VA procurement strategies and processes.

### VECTOR 062 Veterans Health Administration (VHA) General Accountability Office (GAO) Support Services for Employee Education System (EES) Training Work Group (TWG) and VECTOR 0120 Government Accounting Office (GAO)

- AMSG currently supports VHA EES in its efforts to be removed from the GAO HRL. AMSG assists the Employee Education Staff in evaluating training and developing oversight processes and procedures and develop the organizational structure. This is the training component of the larger GAO-OIG Accountability Liaison (GOAL) Office contract for GAO Risk work.

## Veteran Enterprise Contracting for Transformation and Operational Readiness

A Multiple Award IDIQ for Professional Services

### What is VECTOR?

VECTOR is a collaboration between the VA Strategic Acquisition Center - Frederick (SAC-F) and an industry coalition of VECTOR SDVOSB prime awardees.

VECTOR works in conjunction with VA program offices to provide vendor-neutral information on the features and benefits of the VECTOR IDIQ acquisition vehicle.

- ✓ Vector is available "VA-wide" to all Administrations, Offices and Programs
- ✓ 54 prime SDVOSB contractors to provide professional services in:
  - Six (6) Services Groups (SGs)
  - 30 Task Areas
  - More than 150 Labor Categories (LCATs)
- ✓ Ten Year Ordering Period (2018-2028)
- ✓ \$25B Ceiling
- ✓ Satisfies the "Rule of Two" with 54 SDVOSB primes
- ✓ Lowers risks and costs to your procurements
- ✓ Dedicated IDIQ support from SAC-F

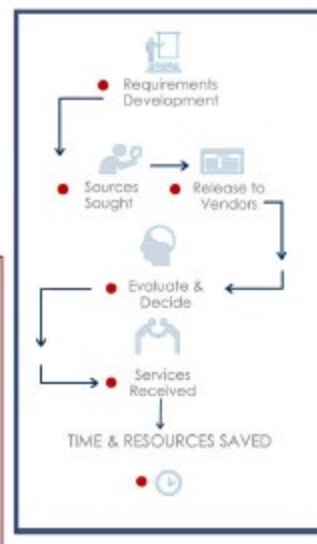

### VECTOR Streamlines Acquisition

Use VECTOR procurement authority to speed acquisition for support and results.

### VA VECTOR IDIQ

Enterprise capabilities across development, deployment, implementation, operations, maintenance and sustainment are available in six (6) Service Groups and 30 Task Areas.

**SG1**  
Management & Improvement

**SG2**  
Analyses

**SG3**  
Training

**SG4**  
Outreach

**SG5**  
Supply Chain

**SG6**  
Human Resources & Staffing

**There are no limits to VECTOR meeting your Professional Support Services needs!**
