ABOUT

Since 2008, AMSG has delivered mission-critical support across 60+ government contracts, including 23 at the DHA, DHS, WHS, US Army, USMC, USAF, and US Navy. Headquartered in Dumfries, VA, we specialize in Technology, Information & Knowledge Management, Mission Support & Operations, and Financial Support Services.

We've supported 100+ military and federal installations in 20 states, serving over 19 million end-users. With 73% of our contracts as Prime, our work spans DHS, DHA, WHS, Army TRADOC, VA, DOE, FTC, and more—totaling \$192M+ in project value.

DHA CURRENT & PAST PERFORMANCE

DHA Recovery Coordination Program (RCP)

- Support DHA's RCP mission through case management, outreach, and transition services for wounded, ill, and injured Service Members.
- Manage DOD's Case Management System (DOD-CMS) to streamline recovery planning and reporting across military departments.
- Lead efforts under E2I and OWF to connect recovering Service Members with education, career paths, and federal internships.
- Maintain and update the National Resource Directory, linking thousands of support resources to Service Members and families.

DHA, Acquisition, Requirements and Resource Management (ARRM) Support Services

- Support SDD with acquisition, requirements, and resource management aligned to the Adaptive Acquisition Framework.
- Ensure compliance with DoDI 5000 and deliver acquisition documentation across milestones and phases.
- Provide Agile project management, privacy and IOP compliance, and transition planning expertise.
- Help SDD maintain fiscal accountability and efficient service delivery despite evolving demands.

DHA Acquisition & Finance Management and Budget Execution

- Deliver cradle-to-grave acquisition and budget execution support across multiple DHA programs.
- Processed 1,521 procurement packages totaling \$4.8B over four fiscal years with exceptional CPARS ratings.
- Achieved a 99.98% obligations rate on a \$1.2B budget during FY21's End-of-Year closeout.
- Provide strategic planning, POM/BES support, and full lifecycle contract administration.
