KNOWLEDGE MANAGEMENT (KM) & DECISION SUPPORT

At US Army T2COM (formerly Training and Doctrine Command (TRADOC)), we lead the Army's most critical Knowledge Management programs—enhancing how information is shared across the transformation and training enterprises. From content, process, and change management to data pipelines and real-time visualizations, we enhance decision optimization for leaders to act faster and smarter impacting over 50,000 Soldiers.

ACQUISITION & OPERATIONAL SUPPORT

With DHA's Acquisition, Requirements and Resource Management (ARRM), We provide cradle-to-grave acquisition, financial planning, and execution, as well as resource management support, enabling the efficient delivery of critical healthcare IT programs. From Agile planning and compliance to contracting and cost estimation, we help SDD do more with less—while maintaining excellence at every step.

MISSION-ALIGNED COMMUNICATIONS

For DHS Science and Technology Directorate's Communications and Outreach Division (S&T COD), we produce dynamic, mission-aligned content—articles, press releases, media relations services, videos, info graphics, podcasts, leadership talking points development & support, webcasts, website management, immersive media, and more—that brings innovation to life and expands COD's reach. Our work powers the S&T Impact Series and helps translate research into real-world relevance for first responders, stakeholders, and the public.

COMPANY CULTURE

At AMSG, we care about:

Serving you: AMSG's Employee Engagement Team (EET) is constantly working to create ways to support the whole team member. We have various programs to do that, including town halls, hobby support, lunch and learns, birthday cards, group picnics, and more.

Serving our community: AMSG is proud to support both local and international nonprofits. We believe in giving back to our local communities, whether through donations, volunteer work, or other initiatives. We are committed to making a difference and creating a positive impact in the world.

OUR BIGGEST ASSET: OUR PEOPLE

How our team members describe our culture:

welcoming professional positive open purpose-driven loving
appreciative committed encouraging kind community attentive
genuine compassion caring family communication fair
loyal motivated competence character compassionate passionate
supportive attentive inspiring empathetic uplifting transparency amazing

EXPERIENCE PROGRAM

AMSG's Experience Program brings the company's 6 Cs—Community, Competence, Courage, Compassion, Character, and Communication—to life through initiatives that support the whole team member. From leadership training and technical certifications to global volunteer trips, wellness challenges, and a one-of-a-kind Hobby Program, it's a comprehensive approach to growth, connection, and balance.

Every year, AMSG is proud to send our dedicated team members around the world to support our global community. Recently, our volunteer team made a significant impact in Kenya, providing essential services and making meaningful connections. We've also extended our reach to Honduras and eagerly anticipate expanding to new locations in the future.

"The people at AMSG are stellar!! They care for one another, they are hardworking and they are proud of the support they provide their Customers. The CEO and Leadership are sensitive to work/life balance and genuinely care for their employees and it shows in all that they do for us. Corporate keeps us informed in all that the company does. I'm not a number here, I'm a person!"

AMSG Team Member (From Glassdoor)

"AMSG leadership is beyond reproach. Integrity, coupled with a strong sense of devotion to their fellow employees, is unequaled by any employer I have ever worked with. We get to work with gracious, compassionate, and generous employees for a common goal—a strong sense of compassion for the community and an even stronger passion to support the customers we support."
